## Crew Substitution Request

**Received: 2022-10-24 09:25 +03**

**Request No.: 02**
**Boat: IRC 6 - RUS 2795 - CARROT - Andrey Raykov**

---

**Request:**

**Previous Crew:** Extra crew member added

**New Crew:** Aliaksandr Racheuski

I would like to add an extra crew member. This is not a replacement of the previous crew, this is a new member of the crew who couldn't come before, but managed to arrive on time.

**Response: Approved**
