Crew Substitution Request

Received: 2026-08-05 19:04 CEST

Request No.: 18

Boat: WCC - Rudder Rebels - Cecilia Zorzi

Request:

Previous Crew: Serena Ceccanti

New Crew: Alicia Pfyffer

We would like to ask for a crew substitution as Serena Ceccanti has been not feeling well in the past two days, she tried to sail but she has been suffering of low blood pressure, dizziness, nausea and vomit. As we fear worse consequences, we would like to substitute her for the rest of the event.

Thank you
