7. Description Of Incident

GER1459 sailed on port tack into the 3 lenght circle of the eastern leeward gate mark. ITA 9488 approached GER1459 on starboard tack. GER 1459 wanted to jibe to approach the mark but in that moment ITA 9488 jibed on port tack and the boom of ITA 9488 hit David Plettner hard on his head. David did not jibe, he got injured and he was not able to continue sailing. He slowly sailed to the finish and there he met his coach. Then he returned to the port with his coach. He was brought to a doctor and later to bed. He woke up at 6:30PM. This is the reason why the protest has been filed too late.

8. Damage Or Injury

Injury on the backside of the head.
Statement of the doctor can be obtained.
