7. Description Of Incident

DEN 21 is on the starting line (approximately 15 meters from pinend) on starboard tack. SUI 2797 comes from clear behind from the committee boat-end on starboard tack, goes behind DEN 21 and heads up trying to go for a non-existing gap. SUI 2797 hits DEN 21 on the leeward side of the stern of the boat, causing damage to the hull and pushing DEN 21 significantly forward, causing DEN 21 to be pushed over the starting line. DEN 21 has been stationary until collision and unwantingly pushed over the line. This has caused the result of DEN 21 to be significantly worsened from 2. Place in the race to ufd without being at fault. Because of that DEN 21 requests redress and wants to have their position from the race reinstated (2.place).

8. Damage Or Injury

Fibreglass damage to the ports side of the stern (with pictures)
