Question for Officials

Date: 2022-08-05

Question No: 04
Question For: Race Committee

Question:

Please can you explain the rating used for our class. In my ORC rating there is an ‘Windward/Leeward’ Number.
Are you using this?
Or the basic CDL ?
It seems strange to us that we have to be as fast or faster than a tp52 with a 25 ton heavy cruising boat.

Answer:

We apply PCS with constructed courses.
If you need further details please go to the race office and ask for Pablo Ferrer.
