As with requests 7, 8 and 9 please correct our handicap to 1.018 to reflect our sailing in Division 1, White Sail. I registered as such, Slow Dancer II has NO spinnaker aboard!

Response Title:

Thank you for clarifying Brian, I'm not on the water, so when the RC tells me you raced with a spinnaker I need to take their word for it. I have changed your rating for all your races to your white sail rating (1.018), rescored all the races & republished the results. I have updated your Sailwave record so that in the future your white sail rating will always be used. Thanks for your patience in this matter. -Wendy (GNS/SLVYRA Scorer)
