Question for Officials

Date: 2024-04-05

Question No: 01

Question For: Race Committee

Question:

Does an official amendment need to be created to account for the fact that the association did not have enough u15 bibs for sailors today? We were told by Guido that it was OK as there was no solution for these sailors from multiple countries. However, we want to make sure this is properly handled. Please see Ausra (CVA), Dipesh (India), Team Hungary, Joel Brazle (NZL). Guido has the details. Regards.

Answer:

Bibs are not enough for all competitors, so you can race without them.
