## Question for Officials

**Date:** 2019-02-12

---

**Question No:** 000

**Question For:** Race Committee

**Question:**

I would like to know if in the case of a start line where there is a committee boat (windward) and a buoy (leeward), can another boat not anchored and next to the buoy (leeward to it) look for boats who are on the course side and that the committee boat cannot see, and send the sail numbers of these boats on the course side to the committee boat. I have searched in the racing rules of sailing and yet haven't found anything helpful.
