7. Description Of Incident

3 boats 01, 44 and 31 were approaching the right hand side bouy of the bottom gate overlapped with each other. Overlap was established 6-10 boats length away from the mark with the 3 boats. I hailed room to 31 asikg for room inside. Once inside the gate 01 requested room inside me as the were overlapped. Hailed again yo 31 to keep clear but he took no action and pushed his boat to me forcing into 01. All 3 boats established contact. 31 kept pusing into my boat and kept going up even though his kite was still half way up. Hailed protest and displayed red flag. My boat suffered damage
