- 23.2 In case of a violation of obligations that do not constitute primary or material contractual duties (cardinal obligations), the liability of the organizer for financial and property damages incurred by the participant during or in connection with the participation in the event and resulting from a conduct of the organizer, IWSA, the involved classes and their representatives, servants or agents (including but not limited to race committee, protest committee and technical committee), is restricted to damages that were caused willfully or grossly negligent. When a violation of cardinal obligations occurs due to minor negligence, the liability of the organizer is limited to foreseeable, typical damages.
- 23.3 Competitors and support team participate in the event entirely at their own risk and they are reminded of the provisions of RRS 3, Decision to Race. WingFoiling is by its nature an unpredictable sport and therefore involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:
- They acknowledge that there are risks involved in the Event. They fully realise the dangers of participating in the Event, and fully assume the risks associated with their participation and their wellbeing and safety during and after the Event.
 - They understand and acknowledge that the Event organisers (including all officials and event volunteers) provide no warranties, regarding their wellbeing and safety.
 - They acknowledge that participating in this event may involve a test of a person's physical and mental limits and carries with it the potential for death, serious injury,

and property loss. The risks include, but are not limited to, those caused by the elements, facilities, temperature, weather, condition of participants, equipment, vehicular traffic, lack of hydration, and actions of other people including, but not limited to, participants, volunteers, officials, and/or producers of the event.

- They agree that to the extent permissible by law, World Sailing, the International Wing Sports Association, their classes, the event organisers (including all officials and event volunteers), the sponsors and other parties associated with the Event, have no liability to them whatsoever for any direct or indirect loss, (including, but not limited to injury or death) sustained by them during or in any way related to their participation in the Event.
- They WAIVE, RELEASE, AND DISCHARGE from any and all liability, including but not limited to, liability arising from the negligence or fault of the entities or persons released, for their death, disability, personal injury, property damage, property theft, or actions of any kind which may hereafter occur to them including their traveling to and from this event, THE FOLLOWING ENTITIES OR PERSONS: World Sailing, The International Wing Sports Association, their classes, the event organisers (including all officials and event volunteers), the sponsors and other parties associated with the Event, employees, volunteers, representatives, and agents, and the event holders, sponsors, and volunteers;
- They INDEMNIFY, HOLD HARMLESS, AND PROMISE NOT TO SUE the entities or persons mentioned in the above paragraphs from any and all liabilities or claims made as a result of participation in this event, whether caused by the negligence of release or otherwise.
- They have taken medical advice on any pre-existing medical conditions and confirm that it is medically safe for them to participate in the Event.
- They are responsible for the safety of themselves, their equipment and their other property at any time.
- They are satisfied that their equipment is in good order, equipped to compete in the event and they are fit to participate;
- They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- They consent to receive medical treatment which may be deemed advisable in the event of injury, accident, and/or illness during this event.
- They acknowledge that the provision of a race management and rescue team, judges, umpires and other officials and volunteers by the organizer does not relieve them of their own responsibilities;
- They acknowledge that the provision of rescue craft cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.

24 [DP][NP] MEDIA RIGHTS AND EQUIPMENT

- 24.1 By participating in the event, competitors and support personnel automatically grant to the organizing authority, IWSA and their sponsors the right in perpetuity to make, use and show, from time to time at their discretion, any motion pictures and live, taped or filmed television and other reproductions of the competitor during and after the period of the event without compensation.

ADDENDUM 5

FORMAT AND SCORING

1. Opening Series

The Opening Series may be separated into a Long Distance Series, a Qualifying Series and a Final Series depending on entry numbers.

1.1 Long Distance Series

On the first racing day of the event, either two Long Distance Races or one Marathon Race will be sailed. A WingFoil's score for a Marathon or a Long Distance Race will be divided by the number of fleets in the event rounded to the nearest 10th of a point (0.05 to be rounded upward). A Marathon Race will give two scores and the Long Distance Race will give one score towards a WingFoil's series score

1.2 Qualifying Series

- a) On the second and third day of the event, WingFoil's will be assigned to fleets after the Long Distance Series and after each Qualifying Series session. If all fleets have completed the same number of races, WingFoil's will be assigned on the basis of their ranks in the series. If all fleets have not completed the same number of races, the series scores for assignment will be calculated for those races, numbered in order of completion, completed by all fleets.
- b) For three fleets, and similarly for any other number, assignments will be made as follows:

Rank	Fleet
First	Yellow
Second	Blue
Third	Red
Fourth	Red
Fifth	Blue
Sixth	Yellow
And so on	

- c) Assignments of fleets will be based on the standings available 30 minutes after the last finisher of the previous session, regardless of pending hearings and unanswered scoring inquiries.
- d) If the Long Distance Series cannot be completed and when the format includes a Qualifying Series, WingFoil's will be assigned by the race committee into fleets of, as nearly as possible, equal size and ability. The assignments will be posted at least 30 minutes before the first warning signal is made. The assignments will not be grounds for redress. This changes RRS 62.1(a).
- e) For the purpose of assignment to fleets, if all fleets have not completed the same number of races by the end of a session, scores for the most recent races will be excluded so that all WingFoil's have the same number of race scores.
- f) If all fleets have not completed the same number of races by the end of a session, the fleets with fewer races will continue racing in the following session. until all fleets have completed the same number of races. All WingFoil's will thereafter race in the new fleets.
- g) If at the end of the Qualifying Series some WingFoil's have more race scores than others, scores for the most recent races will be excluded so that all WingFoil's have the same number of race scores.

- h) For the Long Distance and Qualifying Series, RRS A5.2 is changed so that the scores are based on the number of WingFoil's assigned to the biggest fleet.

1.3 Final Series

If 5 or more races are completed by each fleet at the end of the Qualifying Series:
