Other Comment:

7. Description Of Incident

Approached right leeward gate on starboard with spinnaker down and saw black flag on beam reach on port track at the mark and approaching the mark from outside the gate apparently trying to re-approach the mark.

Hailed to get their attention because they turned down rather than staying closed hauled to avoid contact.

We were required to take evasive action and take their stern to avoid collision and did so.

8. Damage Or Injury

None
