## 7. Description Of Incident

At 5 boat lengths there is a 5 wide stack of boats going into the mark. At 3 boat lengths there are 4 boats wide all overlapping. 206105 was windward, then me, then 176124, then 208567. I hailed for room at 3 boat lengths. At 1 boat lengths 176124 breaks overlap and sails high to keep me from getting room. Then 176124 slowed down to give 206105 room and I had to slow down to avoid contact with 176124 and 176124 still failed to give me room around the mark.
