7. Description Of Incident

2 minutes to the start I was going starboard to the pin end, the protestee was going port tack pointing RC boat. The protestee ran over my mainsail sheet with his bow. My mainsail was stuck under his boat and centerboard. While in the process of trying to remove it the protestee capsized. The coach of Sporting Clube de Aveiro went there to help untangling at the starting gun more or less. It took us around 8 min to untangle. When I was ready to sail, the orange flag was down and also I was helped by an exterior boat meaning I couldn't race nr 4. My result was made significantly worse by others fault so I request a redress based on rule 10.
