7. Description Of Incident

We were both on port coming to the spreader mark overlapped. I was windward to poema and she was leeward we were overlapped. I was overlapped and poema was on the layline. Coming into the zone, I shouted room 3 times. Poema continued to pinch and didn't leave me room. I had bear away behind her to avoid collision. I screamed protest straight away 2 times. We tacked and I screamed protest again. She continued her race.
