Scoring Inquiry:

I In the first race (19.03.2024) im scored 4rd behind the Switzerland 34 but I finished the race in front of her in 4th position what is visible on the tracking. For a moment yesterday I was 3rd in that race because probably somone in front of me had UFD. Now I came back to 4th position but 34 advanced to 3rd.

Response Title:
