**Scoring Inquiry:**

The posted score sheets has been changed and I have need bumped back 12 places. I was in the green fleet. I was in 170, now I'm in 182. I had a 14 and now it's a 16, a 77 but now it's a 78. It clearly says 14 and 77 on the meta sail tracker too. It's a small difference, but it knocked me back 12 places. I am not exactly sure who I finished next too. But I know that TJK 1 was a couple ahead on the first race, and around 12 boats behind on the second.
