

Festival of Sails - Part II.

Crew Substitution Request

Received: 2025-08-04 15:48 CEST

Request No.: 02

Boat: Cadet - GER 9838 - Viento - Lucy Lindemann

Request:

Previous Crew: Arinya Frauen

New Crew: Rhona Schmelter

Firstly: Arinya Frauen is already feeling better again. She had further neurological examinations in hospital today. These were all fine, so she will be discharged from hospital tomorrow during the course of the day. That's why I'm still asking to sail with Rhona Schmelter tomorrow.

Response: Approved

Approved for Tuesday 5.8.2025. The original crew (Arinya Frauen) will remain on the results.
