

2021 Rolex Big Boat Series

Equipment Substitution Request

Received: 2021-09-17 17:00 PDT

Request No: 01

Boat: orr - c - 23 - Feather - Zach Berkowitz

Request:

Old Equipment:

Our standard J 105 spinnaker blew up on the finish line of the second race today.

New Equipment:

A j 105 boat owner, Ian Charles, sold us an older measured J 105 spinnaker tonight that we will be using for the remainder of the regatta. Both old and replacement spinnakers are J 105 class legal and I assume the same size. When I get a certificate, I will send it to Jim Teeters.

Reason:

Old spinnaker is shredded and we need a spinner too race with.

Response: Pending
