Received: 2021-09-23 02:00 CEST

Request No: 01

Boat: Ilca6 - 204568 - Zoe Thomson

Request:

Old Equipment:

Sail #204568

New Equipment:

Sail #8

Reason:

The new sail I was using has bad stitching, requesting to use an older sail with #8

Response: Approved

You can change your sail , this is fine.

However we are not accepting only a single digit.

You must to have 6 digits , so please use the number you had : 204568 or add 6 digits to the new sail you want to sail with.

If you don't have 6 digits with national letters in your sail, request to change for a sail with a single digit is not approved.
