**Request No:** 04

**Boat:** ILCA 7 - INDIA 06 - DEEPAK K SAINI

---

**Request:**

**Old Equipment:**

Mast top section revit damage

**New Equipment:**

Laser mast top section

**Reason:**

Revit damaged during the 1 st race , repair of equipment is not possible in the race area ,so request TC to replace it with another top section

---

**Response: Approved**

Physical checked and found that the mast top step has slightly moved and reached 308mm which surpassed the class rule limitations.
