## Equipment Substitution Request

---

**Request No: 02**

**Boat: ILCA 6 - 120 - Falkor 17 - Julie Christensen**

---

**Request:**

**Old Equipment:**

Sail doesn't match boat

**New Equipment:**

Radial Sail #

120

**Reason:**

Sail # doesn't match boat number

Unsure of serial number as it's a borrowed boat from the Glenmore Sailing School but the boat is # 17 and the sails from the school are numbered from 100-120.

---

**Response: Approved**

I expect that your sail number is 120. Please resubmit another equipment substitution request if this is not correct. The hull number doesn't have to match the sail number.
