

RS Feva World Championship 2022

Equipment Substitution Request

Received: 2022-07-24 01:00 IST

Request No: 08

Boat: RS Feva - GBR - GBR 7394 - Allegra Massey

Request:

Old Equipment:

Brand new sail. First time using it on Saturday. Now has a unfixable rip.

New Equipment:

Brand new sail. Brother used it this weekend at worlds, but went home because he wanted to compete in Itchenor fortnight. So there is a flag but we have taken sail numbers off and replaced them with our own.

Reason:

Capsized on the start line, 30 seconds before go. A fellow competitor ran over the sail resulting in an unfixable rip in the top of the sail, creating a large enough hole, to significantly reduce our boat speed and confidence.

Response: Approved

Ok
