

RS Aero Youth World Championships 2022

Equipment Substitution Request

Received: 2022-07-26 01:00 IST

Request No: 02

Boat: RS Aero 5 - U19 - SWE 4295 - Julius Gaudums

Request:

Old Equipment:

Broken plastic fitting on the top of the mast that the halyard goes through, fitted on brand new charter top mast section.

New Equipment:

New bracket and metal ring on the top mast. Mounted by RS sailing Crew.

Reason:

The plastic part holding the metal ring cracked during the first leg in R6, causing the sail to fall down. A new part was needed to be able to hoist the sail.

Response: Approved
