

RS500 World Championship 2022

Equipment Substitution Request

Received: 2022-08-03 01:00 IST

Request No: 02

Boat: RS500 - GBR 783 - Geronimo - Nigel Davis

Request:

Old Equipment:

RS500 783 hull. Mast step support has failed and deck has cracked allowing significant water ingress and an inability to hold rig tension. It is therefore no longer possible or safe to sail this boat.

New Equipment:

RS have offered to provide a replacement hull and rudder as our rudder will not fit the new hull. The sails and rigging will be from our original boat consequently we would like your approval to sail the remainder of the series with this configuration.

Reason:

It is no longer possible or safe to sail this boat.

Response: Approved
