**Request No: 62**

**Boat: IL6 - CAN 170764 - Jessica Lee**

---

**Request:**

**Old Equipment:**

sail 170764

**New Equipment:**

sail 70764

**Reason:**

updated sail number due to duplicate

---

**Response: Not Approved**

Unfortunately, removing the 1 from the front of the number means you still have a duplicate sail number by the last 5 digits, and the RC needs to identify and call sails by the last 3 or 4. If you would like to remove a 4 from the end, or alternatively, move the 1 to the end of the number (707641), that would be acceptable. JW
