Old Equipment:

New Equipment:

Borrowed mainsail with NZL flag on it

Reason:

Dear committee,

We are Polish sailors that started on Como lake in 49er FX as we are light crew and only for EC in Balaton we wanted to start on 49er so we borrowed the sails from NZL and we have to give it back after the regatta.

We kindly ask you to let us start with NZL flag on the mainsail because according to class rules C.10.3(b)(i) national flags for this event are optional, not obligatory. We use our country code which is POL and number 176 as in registration.

Regards, Patryk Kosmalski

Response: Approved

According the class rules C.10.3(b)(i) national flag is optional.

Request is approved.
