Equipment Substitution Request

Received: 2023-08-20 17:23 UTC

Request No: 44

Boat: ILCA - 7 - GBR 212907 - James Foster

Request:

Old Equipment:

Bottom section became very bent, I am worried that it will snap at the goose neck

New Equipment:

New bottom section

Reason:

Bottom section became very bent, I am worried that it will snap at the goose neck

Response: Approved

Please bring the old section to the training room, with the proposed new section. We can then make sure the new section is to class rules
