

UKLA Noble Marine Inland Championships ILCA 4, 6 & 7

Equipment Substitution Request

Received: 2023-11-02 13:44 UTC

Request No: 03

Boat: ILCA 4 - 202463 - Annabelle Hacker

Request:

Old Equipment:

Hull 202463

New Equipment:

Hull 216607 (but still using sail number 202463).

Reason:

We renumbered the sail that I used at the last qualifier to match my boat 202463 and then found out afterwards that the 202463 hull needs a repair under the gunnel.

We can't find the ILCA 4 sail with the number that matches the 216607 hull. We think we left it in Aldeburgh.

No change to entry required.

Response: Approved
