

## 2024 Australian 13ft & 16ft Skiff Championships Equipment Substitution Request

Received: 2024-01-03 15:25 AEDT

---

**Request No: 01**

**Boat: 13ft - 19 - Fiji Water - Cadel Stewart**

---

**Request:**

**Old Equipment:**

Hull #19 - Fiji Water

**New Equipment:**

Hull #9 - Fiji Water II

**Reason:**

During training this week it was noticed that hull #19 delaminated/split on the port side where the bridge deck joins the hull upper deck. This large split in the deck won't be repaired in time for the Australian Championships. We request to swap out the #19 hull for the #9 hull and will use all the gear off #19 Fiji Water during the regatta.

---

**Response: Approved**
