

2024 Australian 13ft & 16ft Skiff Championships Equipment Substitution Request

Received: 2024-01-09 17:25 AEDT

Request No: 03

Boat: 16ft - Contender Sailcloth - Contender Sailcloth - Will Howard

Request:

Old Equipment:

Current little spinnaker.

New Equipment:

Replacement spinnaker number is M81-18.

Reason:

Substitute little spinnaker for rest of regatta. Current little spinnaker torn in multiple places in a line approx 3m long (multiple tears and nicks as it caught on something sharp in a set) and across approx 8 panels. Highly likely to explode if we keep using and big rebuild job given the number of damaged panels. Thanks

Response: Approved
