

2024 BPI Boracay 200 and 2024 BPI Boracay Inshores

Equipment Substitution Request

Received: 2024-02-26 15:40 HKT

Request No: 01

Boat: IRC - Misty Mountain - George Hackett

Request:

Old Equipment:

New Equipment:

Reason:

Our mainsail delaminated and is not useable nor repairable. We would like to switch to our Cruising Mainsail. Precedence is given as Karaoke was allowed to switch their mainsail during the Boracay Race and during the inshore race yesterday. And second race today was delayed long enough to allow Belatrix to fix a problem. We therefore believe that our request deserve merit

Response: Approved
