Equipment Substitution Request

Received: 2024-06-08 16:48 CEST

Request No: 10

Boat: 29er - 2941 - Livia Farese

Request:

Old Equipment:

29er Main Sail, serial number: 504 154

New Equipment:

29er main sail, serial number: 42225

Reason:

On the first downwind in the 7th race, a leeward boat got heeled to windward so much, that their mast touched our sail on the top and ripped it. The damage is too big to repair it on time for Racing tomorrow

Response: Approved
