Equipment Substitution Request

Received: 2024-07-27 11:10 CEST

Request No: 01

Boat: J/70 - SWE 1489 - Elvis - Marcus Höghlander

Request:

Old Equipment:

Mainsail NS F1 nr: 18932

**New Equipment:**

Mainsail NS F1 nr: 15401

Reason:

Our newest mainsail nr 18932 has a broken seam by the second batten. We need to replace this mainsail with our old mainsail of the exact same type (North Sails F1 main) nr 15401, to not destroy the sail further.

Response: Approved
