

Open Skiff WORLD CHAMPIONSHIPS 2024

Equipment Substitution Request

Received: 2024-07-28 10:23 CEST

Request No: 01

Boat: OS - U15 - 12533 - Ewan Brazle

Request:

Old Equipment:

2024 Tahe Charter - HULL Only

New Equipment:

Ex-charter boat from the 2023 worlds - HULL Only

Reason:

The Tahe Charter delivered to Ewan on 25 July has had multiple quality issues. The charter is still leaking water at an unacceptable volume after multiple fixes and continued testing. We've decided to use a boat that we used to train in prior to the Tahe charters arriving. Thank you.

Response: Approved
