**Request No:** 08

**Boat:** 49er FX - NOR NOR261 - Pia Andersen

---

**Request:**

**Old Equipment:**

Mainsail NOR 261

**New Equipment:**

Same mainsail, but changed number to NOR 372

**Reason:**

The number we use now is too similar to the other norwegian boat NOR 26. Therefore we have to change to our original number NOR 372. This would make it easier for the start boat.

**Response:** Approved
