

Sun Hung Kai & Co. Hong Kong Race Week 2025 & 2025 29er Asian Championship

Equipment Substitution Request

Received: 2025-02-04 09:14 CST

Request No: 01

Boat: Optimist - Main fleet - HKG313 - Katie Lai

Request:

Old Equipment:

Old sail number: HKG313

New Equipment:

New sail number: HKG156

Reason:

We are writing to revise our optimist sail number from HKG313 to HKG156. As we only get our latest sail number from HKODA after I sign up for race week in Nov.

Response: Approved

Equipment Substitution Request is only required after you have completed measurement and registration at event venue on 11 or 12 February. For now, please contact Organising Authority race office to change your sail number for your entry. If you have already submitted a measurement form with the old sail number, you will need to submit a new form with the new sail number before 7 February.
