Request No: 02

Boat: 6 metre - GRE 3 ESP 74 - Delphina and Astra - jez Fanstone

---

### Request:

**Old Equipment:**

**New Equipment:**

**Reason:**

Both these 6 metre boats have been recently acquired and there has not been time to build new spinnakers for them. They will be sailing with spinnakers with different sail numbers to the ones on their mainsails. This is the same as when they raced in the Princess Sofia Regatta last month. Many thanks for your understanding with this.
