Reason:

As discussed with the PRO, we have received our A1 - A2 - A3 sails from sails Loft with different sailing numbers to ITA 4021 (our correct number) on the right and ITA 1121 on the left.

We request to use all sails as it is and confirming that they comply with our ORC certificate.

Response: Approved

From the RC, we are happy to accept this difference, but all other aspects of the sails should meet the ORC Rule requirements.
