Equipment Substitution Request

Received: 2025-07-29 18:40 EDT

Request No: 02

Boat: Opti Championship - ON - 1495 - BobBT - Leo Maia

Request:

Old Equipment:

His sail number is 1495 and has been through all registrations. 1449 was wrongly recorded by the registration desk

New Equipment:

1495

Reason:

At registration he miss spoke and said 1449, the he and the coach promptly corrected , registration still took him as 1449 instead of his actual sail #1495

Penalty seems unfair as it was correct at registration and the sail number he was officially registered under

Response: Approved

1449 was the sail number entered into the online entry form. It can be changed either in the entry form before entry closes and after that only using the Equipment Substitution application. NOR 1.6 is the rule I have to follow but you can ask for Redress.
