Equipment Substitution Request

Received: 2025-08-16 09:23 NDT

Request No: 23

Boat: 29er Men - 29er Hommes - QC - CAN QC2M - Nicolas Capolicchio

Request:

Old Equipment:

Thin, old spinnaker sheets

New Equipment:

Thick spinnaker sheets

Reason:

Seeing as today will be very windy, we would like to change our spinnaker sheets. We are going to substitute our current sheets with thicker sheets that can handle greater tensions with ease. We worry that our current sheets may not be sufficient to handle the incredible pressure of the 29er spinnaker downwind today and we do not want to risk them breaking during a race.

Response: Approved

Approved to avoid breakdown and improve safety margins control
