

Dartmouth Royal Regatta Sailing Week 2025

Equipment Substitution Request

Received: 2025-08-23 23:55 BST

Request No: 01

Boat: 4 - 4589 - Prospero of Hamble - Richard Courtice

Request:

Old Equipment:

Spinnakers numbered GBR 4589

New Equipment:

Spinnakers numbered GBR4610 (light) K4950 (heavy)

Reason:

Request to use spinnakers numbered GBR4610 (light) K4950 (heavy) during the regatta. Class rules require us to carry two spinnakers - light and heavy. Both our spinnakers are in shreds, but we have borrowed two spinnakers from two other Sigma 33s, which carry numbers different to our own.

Response: Approved

The PRO has agreed that the Sigma 33 - Prospero of Hamble may use a light spinnaker numbered GBR 4610 and a heavy spinnaker numbered K4950 for the duration of the regatta. However the onus remains on Prospero of Hamble to ensure their correct placing in all results.
