Equipment Substitution Request

Received: 2025-09-13 13:25 CEST

Request No: 01

Boat: Switch - Switch 8.5 - 1041 - Sam Whaley

Request:

Old Equipment:

Old sail 1041

New Equipment:

New sail 1129

Reason:

My two top battens broke yesterday so I came in and switched to sail number 10. I have now renumbered the sail to read my real hull number, 1129, so request my sail number be changed to 1129. Thanks
