Old Equipment:

New Equipment:

Reason:

Our engine is broken and cannot be repaired during the entire event. After contacting several local technicians and conducting an inspection, it was determined that repairing the damaged part requires a technical operation that cannot be performed in the Porto Rotondo area. Therefore, we request IN/OUT assistance for the entire duration of the event.

Response: Approved

Permit to get assistance granted.

But to get assistance You need to contact the organization to arrange for an agreement to be towed in&out
