

China Coast Regatta 2025

□ Equipment Substitution Request

Received: 2025-10-11 08:00 HKT

Request No: 01

Boat: IRC Racer 0 - 2283 - FreeFire - Russ Parker

Request:

Old Equipment:

Mainsail

New Equipment:

Mainsail (smaller) - if required

Reason:

Our mainsail blew out on the first race today. We are heading in to try and repair. If we are unable to repair we may need to change to one of our old mainsails, which are all smaller, and so seek permission to do so if required. Your approval would be much appreciated.

Response: Approved
