Subject: Urgent Request for Crew Substitution / Crew Member Reduction

Dear Race Committee,

Due to a sudden medical emergency, we would like to request the following changes under Rule 19.1:

One of our crew members, Takuya Mutsuda, has been admitted to the emergency hospital due to a bacterial infection and is unable to compete.

We can provide a medical report if necessary.

1st Priority: Substitution of Crew

We would like to substitute Takuya Shimamoto(69.8kg) with Kota Mutsuda(69.5kg). The total crew weight after this substitution will remain within the class rule limits.

2nd Priority: Reduction of Crew (from 6 to 5 members)

If a substitution is not permitted, we would like to request approval to compete with 5 members instead of the original 6.

We appreciate your urgent consideration and approval.

Best regards,
Kento Kato

Response: Approved

RC approved the new crew, Takuya Shimamoto, who is within the weight limit to be onboard.
