

Tasar World Championships 2026 in Kunigami

Equipment Substitution Request

Received: 2026-06-11 05:42 JST

Request No: 36

Boat: Tasar - SGM - 2857 - Roll Your Own - Craig Mcphee

Request:

Old Equipment:

Whisker pole.

New Equipment:

Whisker pole. Exactly the same as lost one.

Reason:

Race 4 Wed 10/6

Unnoticed loss of whisker pole, possibly at gybe marker last lap R4. We were not aware it was missing until a Japanese official pointed it out whilst unrigging back onshore. We request to use a substitute whisker pole please.

Response: Approved

TC approve the replacement of the whiskerpole, but we need to verify the length. Please bring the whisker pole to the TC Desk inside the Recreation Center. We will measure it and apply a sticker
TC Kazu

Checked and approved TC Kazu
