Equipment Substitution Request

Received: 2026-06-25 18:20 CEST

Request No: 02

Boat: J70 - Open - 1474 - Callisto - James Murray

Request:

Old Equipment:

n/a

New Equipment:

n/a

Reason:

We are not actually changing any equipment but as per instruction from the OA, we are just requesting the jury permit us to display "NZL 1474" as our sail number even though we are registered under "USA 1474." Our boat is registered in NZL but the helmsman is registered with World Sailing under USA so we understand we must represent USA. We were granted this approval at the 2025 European Championship as well.

Response: Approved
