Equipment Substitution Request

Received: 2026-07-02 10:52 CEST

Request No: 26

Boat: Moth - U23M - FRA 50 - Exocet - Callum Wyper

Request:

Old Equipment:

Old North helix, enrolled as FRA 50.

New Equipment:

New sail number: AUS 50.

Reason:

Different country code on sail than originally planned. Was FRA, now AUS.

This is due to it being an old sail that I bought and so I can't remove AUS without damaging the sail.

Response: Approved
