Boats seeking to By Pass inspection at the Europeans

Source: Organizing Authority

Venue: Mandello del Lario

Published: 2025-05-26 10:06

Notice:

Dear Sailors

Those who are planning to bypass the inspection, make sure you have the proper inspection forms printed and completed, Make sure your spars stickers are visible and the same number to all (Mast, Boom, Spi Pole)

Glue your 2025 class sticker at the hull.

You may set up the mast and go into the water, but please request the measurer to inspect your boat and SIGN the papers. These have to return the office with his signature.

Thanks
