

2025 Van Isle 360

Notice to Competitors

Number: 07

Leg 3

Source: Race Committee

Venue: Kelsey Bay

Notice:

The RC has scored Leg 3 using the ORC "Predominantly upwind high" scoring option. The RC determined that the wind predicted by the WRS weather model was significantly different from the actual wind experienced by the racers.

A reminder to insure that VHF is on and monitoring Ch 69 during roll call.

Thank you to all of the racers who sent reports in at the finish. This is very much appreciated.

Well done to all keeping everyone safe, and for making good decisions.

We have had some changes to the fleet, some retirements and some joining. The OA and the RC will look at the eligibility of some competitors when the situation permits (Pt. Hardy) to confirm eligibility. Scoring is provisional and if eligibility is confirmed scores will be adjusted.
